BOF

Introducing
FINI
Flip It. Nest It.

WYATT
SEATING

Finis Chair Features for a Winning Meeting:

- **Flip-Up Seat:** Effortlessly flips up for easy nesting and efficient storage.
- **Tilting Back:** Provides dynamic comfort, accommodating various seating postures.
- **Multi-Surface Casters:** Ensure smooth movement across different floor types.
- **Molded Foam Seat:** Offers superior comfort for extended periods.
- **Breathable Mesh Back:** Ensures optimal airflow, keeping users cool during prolonged sessions.
- **Stylish Versatility:** Available in two base, back, mesh, and arm color options to match any office aesthetic.

Elevate your training environments with the Finis chair and experience comfort that goes the distance. [Learn more today.](#) **BoF**

PRODUCT SPOTLIGHT

Tilting Back

Our flexible, tilting back provides dynamic comfort throughout the day.

Breathable Mesh Back

Allows heat to dissipate for long periods of comfortable sitting.

2 Base, Back, and Arm Colors

Choose from two base, back, and arm finishes to seamlessly integrate with your office's aesthetic.

Molded Foam Seat

A cushioned seat designed for extended comfort.

Multi-Surface Casters

Ensures smooth movement across all types of surfaces.

Flip-up Seat

Our "Flip it, Nest it" design allows the chairs to nest, providing more efficient storage when not in use.
