**FINI** nesting

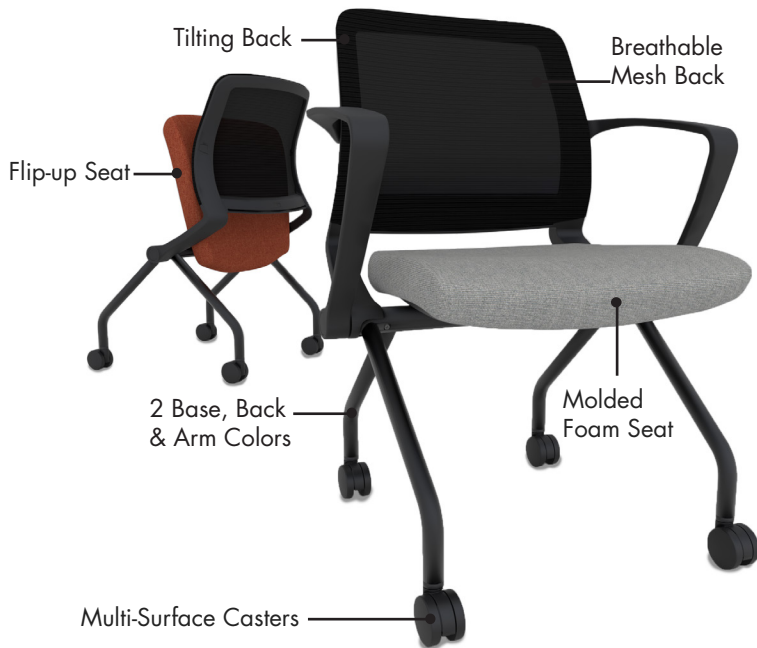

## *Fini*

I never thought of the Bassett Hound as a world class runner. But the friendly pup that joined me 24.2 miles into the Paris Marathon matched me stride for stride. My new running partner's ears flapped in the wind as he willed me to my destination. His relieved owner informed me that his name was Roscoe... but for two glorious miles, I just called him Fini.

# FEATURES

## Fin

The Fini is your perfect companion for those marathon meetings and learning sessions. This training chair features a comfortable, molded foam seat that flips up for easy nesting when not in use. The tilting back is wrapped in breathable mesh, ensuring you stay cool and supported. Its base, back, and arms are available in two color combinations, and its multi-surface casters ensure smooth movement across any terrain. Whether you're sprinting through a busy workday or enduring a long training session, the Fini chair is ready to support you all the way to the finish line.
