OVERVIEW

Wyatt Seating is an ergonomic task and guest seating company based in Pennsylvania. Our first goal is to provide a superior, customizable product at a very aggressive price to our customers. Our focused product line reinforces our strategic direction to excel in product development, marketing, and sales.

CORE COMPETENCIES

INNOVATION:

We are constantly working on two operational areas; develop new and innovative products and how do we make our current product line better.

FACTORY LEVEL CUSTOMER SUPPORT:

Our outstanding customer support for our customers, authorized dealers, and representatives provides a level of service and comfort to all stakeholders.

SUPPLY CHAIN MANAGEMENT:

The effective management of raw and component materials helps to keep costs down and decrease customer lead times.

RELIABILITY:

Confidence in the product you purchase is paramount to our team. This is further supported by our Limited Lifetime Warranty.
